The Ministry of Foreign Affairs, Foreign Trade, Foreign Investment and Diaspora Affairs anticipates deepening the longstanding partnership between Saint Vincent and the Grenadines and the United States, with a shared focus on advancing mutual prosperity, security, and the well-being of both nations and their peoples.

The Honourable Dwight Fitzgerald Bramble, Minister of Foreign Affairs, Foreign Trade, Foreign Investment and Diaspora Affairs, received four courtesy calls on Tuesday, December 09, 2025. The visits were paid by Mr. Francisco Pérez Santana, Head of the Venezuelan Diplomatic Mission to Saint Vincent and the Grenadines; His Excellency Carlos Ernesto Rodríguez Etcheverry, Ambassador of the Republic of Cuba to Saint Vincent and the Grenadines; His Excellency Geoffrey Patton, Resident British Commissioner to Saint Vincent and the Grenadines; and Her Excellency Ana Lélia Benincá Beltrame, Ambassador of the Federative Republic of Brazil to Saint Vincent and the Grenadines.

The meeting with the Head of the Venezuelan Diplomatic Mission provided an opportunity for cordial exchanges on matters of mutual interest and reaffirmed the longstanding ties between Saint Vincent and the Grenadines and the Bolivarian Republic of Venezuela. During discussions with the Ambassador of Cuba, both parties reaffirmed their commitment to strengthening the enduring bilateral relationship between the two countries. Minister Bramble expressed his interest in pursuing new opportunities to expand investment and trade, while further enhancing cooperation for the mutual benefit of both nations.

The Ministry of Foreign Affairs, Foreign Trade, Foreign Investment and Diaspora Affairs remains resolute in its commitment to advancing bilateral partnerships. Through sustained dialogue and expanded cooperation, the Ministry continues to pursue the shared goals of Saint Vincent and the Grenadines and its international partners.

The Government of Saint Vincent and the Grenadines has reaffirmed its commitment to regional cooperation, integration and complementarity within the framework of the Bolivarian Alliance for the Peoples of Our America – Peoples' Trade Treaty (ALBA-TCP), following the 25th Ordinary Summit of Heads of State and Government.

The summit convened virtually on Sunday, December 14, 2025, the delegation of Saint Vincent and the Grenadines was headed by Honourable Dwight Fitzgerald Bramble, Minister of Foreign Affairs, Foreign Trade, Foreign Investment and Diaspora Affairs.

Saint Vincent and the Grenadines took this opportunity to reaffirm its continued commitment to deepening the process of integration and unity among Latin American and Caribbean nations within the ALBA-TCP framework, in keeping with shared objectives of cooperation, development, and mutual support.

The summit adopted a Final Declaration; however, the Government of Saint Vincent and the Grenadines formally registered its reservation regarding the Final Declaration adopted at the Summit. This reservation reflected the country's newly elected administration's concerns, regarding the limited timeframe to review the Final Declaration. Therefore, Saint Vincent and the Grenadines was unable to submit appropriate negotiating positions prior to its adoption by Heads of State and Government.

The Government underscored that this reservation is procedural in nature and is intended to ensure that Saint Vincent and the Grenadines' positions were fully considered through the appropriate consultative processes, consistent with its constitutional responsibilities and diplomatic practice.

Saint Vincent and the Grenadines reiterates its readiness to work constructively and collaboratively with Member States of ALBA-TCP to promote economic development, peace, security and shared prosperity for the people of the region, in accordance with the guiding principles of ALBA-TCP and in full adherence to the purposes and principles of the Charter of the United Nations.
