

**Note No 04/2025**

The Australian High Commission presents its compliments to the Ministry of Foreign Affairs, Foreign Trade and Consumer Affairs of Saint Vincent and the Grenadines and has the honour to refer to the upcoming 20-year review of the World Summit on the Information Society (WSIS), a United Nations process focused on global digital governance and development. The 20-year review (WSIS+20) will take place in New York this year between UN member states and will culminate in a UN General Assembly resolution in December 2025.

The High Commission has the further honour to seek the views of the Government of Saint Vincent and the Grenadines on its priorities for WSIS+20 and to request the Ministry's assistance in forwarding the attached flyer and questionnaire to the ministry responsible for matters related to information technology and digital governance.

The High Commission would be grateful to receive written responses to the attached questionnaire and /or to arrange a virtual call to discuss Saint Vincent and the Grenadines' priorities.

The Australian High Commission avails itself of this opportunity to renew to the Ministry of Foreign Affairs, Foreign Trade and Consumer Affairs of Saint Vincent and the Grenadines, the assurances of its highest consideration.
