FOR IMMEDIATE RELEASE

ALBA-TCP TO HOST 2ND MEETING OF THE WORLD GATHERING FOR A SOCIAL ALTERNATIVE

SAINT VINCENT AND THE GRENADINES, July 23, 2024 – From July 23, 2024 through July 24, 2024 the Bolivarian Alliance for the Peoples of Our Americas-People’s Treaty (ALBA-TCP) will host the 2nd (Second) Meeting for The World Social Alternative in Caracas, Venezuela, bringing together member countries of the region.

The World Gathering for a Social Alternative is spearheaded by the Bolivarian Alliance for the Peoples of Our Americas-People’s Treaty (ALBA-TCP) and the Simon Bolivar Institute, to propose actionable agendas which address imperialism and its unsustainable economic and social models. The focus is on identifying shared goals to collectively tackle the genuine challenges faced by communities, and to build a new model that promotes civilisation.

The 2nd Meeting for the World Gathering for a Social Alternative will feature a special event catered to the role of the media in the internal politics of the Member States of ALBA. In light of this, Ms. Chanolde Munroe of the National Broadcasting Corporation and Mr. Lyf Compton of the Searchlight Newspaper will represent Saint Vincent and the Grenadines in this event and will be in Venezuela from 22nd July to 1st August 2024.
